A board game can connect a family, friends or students when played. Here at Middleborough High School, we strive to do the same. Similar to a board game, we enter high school embarking on a journey that is uncertain, sometimes frustrating, but fun! Though much is left to chance, with the right strategy, every student is given the opportunity for success. The TIMARON 2012 yearbook records every aspect of school life, and shows that at MHS, we always Finish Strong. So, whether it's Battleship, Yahtzee or Monopoly, it's really all just the Game of Life.

## Dedication: Ashley Levesque

It's coming up on four years since Ashley passed away at the age of fourteen. She was quiet to those that did not know her, but was full of love, energy and happiness, even on the worst days of fighting her illness. She was fighting leukaemia yet showed no signs of weakness; you would not have known she was terminally ill if you had not been informed. For the class of 2012 to walk on graduation day without a dear friend is a saddening thought, but we will never forget Ashley Levesque's spirit. She will not be forgotten as her class, the class of 2012, graduates. You will be forever missed.

# A Note from the Principal

Dear Members of the Class of 2012,  
Sincere congratulations and best wishes are extended to each of you as you embark on the next chapter of your life journey. You have been exemplary student leaders and role models here at MHS. The life lessons learned in these classrooms, on these playing fields, and through your involvement in our clubs and activities are the foundation upon which your endeavors will grow.

Remember that learning is life-long. Our world is growing and changing rapidly. Stay open to the possibilities- they are endless. Continue to challenge yourself. Look with excitement to the future. Remember to measure your successes in the simplicity of life.

*Take the path less travelled...* I know that you will find that it *will make all the difference!* (Robert Frost)

# A Note from the Superintendent

Dear Members of the Class of 2012,

"We will either find a way, or make one." Hannibal

As you graduate, you will need to find your way in a new phase of your life. It is an exciting journey, but one that can be filled with doubt and uncertainty. We believe that there is nothing you can't achieve. Believe in yourself. You have been prepared for the future and what you do now is up to you. Be bold, challenge yourself, help others, and enjoy your life. Take pride in your family, your school, and above all your future.

My sincere best wishes for the Class of 2012  
Mr. Michael F. Malone

## Mr. David Paling and Mr. Doug Haskell

As the 2011-2012 school year drew to close, Middleboro High School's administrators, teachers and students said goodbye to two beloved staff members. Mr. Paling served MHS's athletic program for a "great 25 years" and Mr. Haskell taught English to students here at MHS for 28.

Mr. David Paling left MHS after a great career of working in the Athletic Department. He always encouraged athletes to reach their full potential, appearing at many games throughout the year, and always offering kind words of wisdom.

Mr. Doug Haskell spent his many years at Middleborough High School teaching students English. His humor always worked to inspire his students to achieve success in his classes. Both a beloved teacher and colleague, Mr. Haskell will be missed in the years to come.

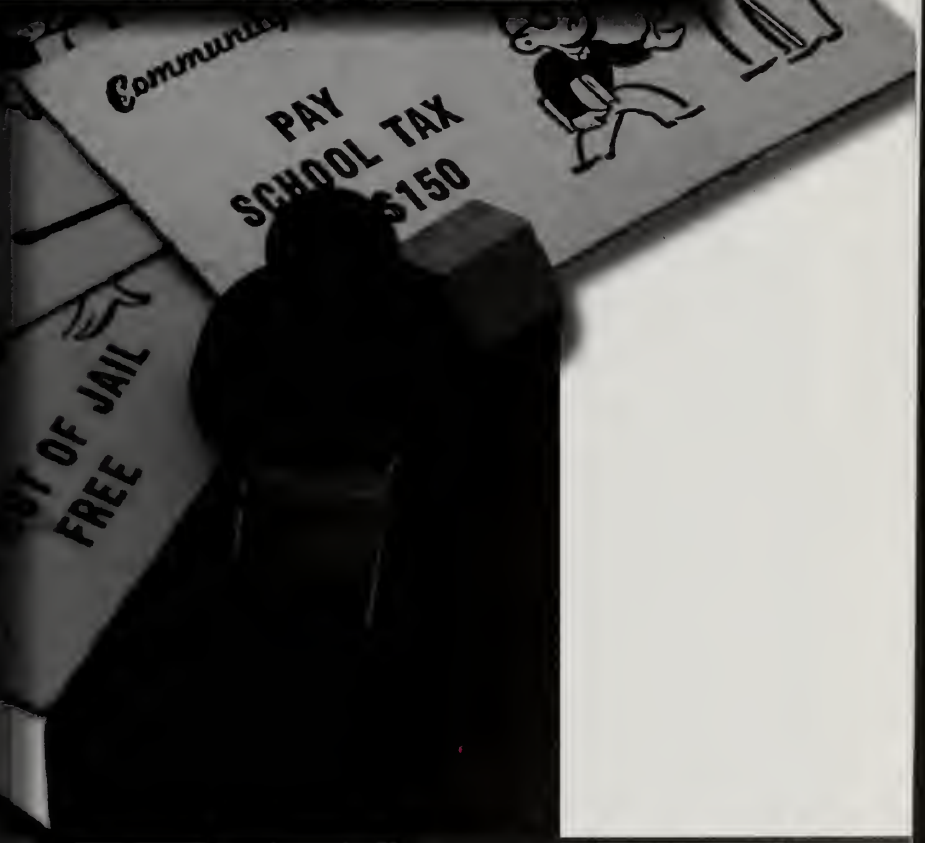

# Involvement

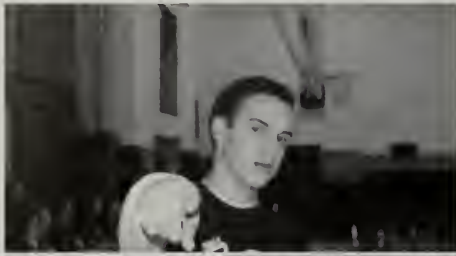

Here at MHS, there are tons of opportunities for students to get involved. Whether it be chairing an event for student council, making your own cartoon for anime club, or putting on a production for speech and theatre workshop, there will always be numerous activities to help brighten up each student's day.

# Cheerleading

The Middleboro High School Cheerleading program finished another successful year. It proved again that MHS Cheerleading is a strong Fall sport. Our cheerleaders focused on achieving a more difficult routine and elements. They worked hard on completing maneuvers that only the year before they were not able to do. Captains for the Varsity squad were: Jillian Perry, Liz Kinch, Lauren Mainini and Taylor Sankey. These captains showed that they are strong leaders with good leadership qualities, can help out with instruction and when needed, be able to take charge of their team and make everyone work together for great results! This season we introduced and achieved many new skills, including more advanced tumbling and stunting. By increasing our practice time per week and continuing practice in our new location, the squad became more competitive and had much success at both games and competition. The squad competed at both Open and League events this season and qualified for Regionals! In fact, MHS Cheerleading brought home our first trophy in many years by placing 5th at the Braintree Invitational! It was a very exciting moment for everyone involved with MHS Cheerleading. In addition to competitions, the squads also cheered at all football games and school pep rallies. And again the half-time routine was a big crowd pleaser and really showcased the new abilities of the squad. Looking back, this season was very successful due to great team involvement, captain leadership and the squad's desire to improve. We look forward to next year when we can continue with this momentum. Thanks Seniors for all your hard work and determination!

# Volleyball

Senior captains Cassie Leech, Hannah Bialic, and Keleigh Grinham led the volleyball team through a very demanding season. The girls were provided strong net play from seniors Laura Varjabedian, Molly Card, and Cassie Leech. As well as some outstanding back row defense by Leah Gilbode. Varsity setters Keleigh Grinham and Hannah Bialic supplied consistent all around play as well.

The girls also supported Cassie Leech's acceptance into the Patriot League all-star team.

For 2013, the team looks forward to a promising future led by juniors Lydia D'Amato, Katharina Kowalski, and Molly Kirkland as well as underclassmen Kim Besse and Jackie Burke.

# Cross Country

The Boys and Girls Cross Country teams raced well this season among excellent Patriot League competitors. The boys finished 3rd in the Fisher Division of the league with an overall record of 4-6 while the girls placed 4th with a record of 2-8. The teams were captained by Tene Paquin, Connor Stearns, Bobby Zahar, Jason O'connell and Sarah Connor. Some of the season highlights included hosting the Patriot League Championship Race, and having two athletes named to the Patriot League all-star team; Tene Paquin and Mary Cole. The team was further honored with four all-star honorable mentions in Maggie Lynch, Maria Santos, Bobby Zahar, and Connor Stearns. Also, it was exciting to have a number of athletes post times on our 8-year-old home course that placed them in the top 15 in the past decade. These athletes include Marguerite Carey 11th, Sarah Connor 9th, Maria Santos 7th, Maggie Lynch 3rd, and Mary Cole 2nd. For the boys, Bobby Zahar holds 14th, Jason O'connell 7th, Connor Stearns 5th, and Tene Paquin 3rd.

# Boys

The 2011 Boys Soccer Team earned a 3-12-3 record under first year head coach Andy Dizel. Though the record does not reflect the accomplishments and development that occurred, the young squad improved by leaps and bounds which was reflected in the end of season win at Carver to spoil the tournament-bound Crusaders' senior night by a score of 3-1. Led by seniors Kyle Bradstreet, Alex Schuberth, Matt Pohl, Kyle Kling and Ethan Norton, the boys competed hard in every match of the season. Season highlights include an early season win at Whitman Hanson, the senior night rout of Carver and even a hard-fought 2-1 loss to Hingham. Junior Captains Nik Fahey, Mitchell Thompson, TJ O'Toole and Patrick Crogan are eager to lead the young and hungry boys soccer team to a much improved record in the 2012 campaign.

# Soccer

# Girls

## **Our overall record was 3-1-14**

This was a building year for the varsity squad. The majority of the team was made up of freshmen and sophomores. We had only 3 starting seniors, all captains, Jenny Frazier, Lauren Wrigley and Alyssa Amaral. Jenny was voted Patriot league Sportsman and team M.V.P. She was also team high scorer. Alyssa was voted Patriot league all star and a Boston Herald all scholastic. Lauren Wrigley was on her way to a great season but unfortunately had a season ending injury. All were great Captains.

The team had been competitive early in the season in the first half of games but was unfortunately unable to score consistently which lead to some big losses. As the season progressed they improved dramatically however, loses were only by a goal to Quincy and Pembroke and they had a 0-0 tie against Hanover (a powerhouse in the fisher division). The season culminated in a victory against Carver at home 3-2. Carver never knew what hit them.

The girls soccer teams, both varsity and JV conducted themselves with grace, dignity and sportsmanship all season long. They had to overcome many challenges such as new coaches, injuries and very strong league opponents. They never gave up, stayed committed to each other, and improved their play throughout the season.

# Field Hockey

First Year Head Coach Lisa Perry guided the Sachems to their first wins since the 2006 season. The Sachems finished with a record of 2 wins, 13 losses and 3 ties. Juniors Traci Perry and Erika DeMolles captained the young squad which was bolstered by an athletic group of underclassmen. Traci Perry and Jillian Fraser were selected to the Patriot League All-Star team while Sophomore Haley Andrews received an honorable mention and was selected as the team MVP. Other award recipients included Tina Riordan as the Unsung Hero, Erin Ward was the Sportsmanship Award winner, and Tricia Egan was voted the Most Improved Player.

# Golf

The golf team recorded a 3-15 overall record this season, while going 3-10 in the Fisher Division of the Patriot League. The team placed fourth in the league. Captain Luke Szulak was selected as an honorable mention for the Patriot League All-Star Team while Junior Zach Sousa received the team Sportsmanship Award. Luke Szulak was also chosen as the Most Valuable Player of the 2011 season.

# Ice Hockey

The Sachem hockey team returned this year with another strong season. The Sachems had one of the most successful starts in the programs history with a 4-1 record. The Sachems qualified for the MIAA State Tournament for the second straight season with a record of 13-6-1. Brandon Lavelle lead the team with 22 goals and 6 assists, 28 points in total. Captain Mitch Thompson, Zach Sousa and Cody Braga also contributed with points in the double digits. Defense from Senior Captain Mike Viera, Cody Braga, Neil Perry and Tyler Geary was tremendous. Senior Captain Patrick Nicholson also had a strong year with 2.06 goal average, 91.2 save percentage and 1 shut out. The Sachems received a buyinto the first round of the tournament and were knocked out by Scituate in a 6-1 game. With most players returning to the team next year, the season looks promising for the Sachem hockey team.

# Swimming

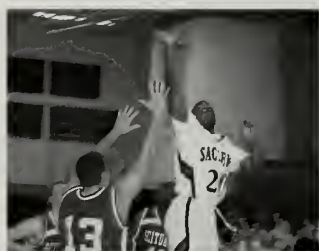

The Boys went 13-0, beating Duxbury and claiming the Patriot League title. They were able to send Cameron Schofield, Justin Floek, Brian Green, Troy Moffat, Mike Milch, Richard Finch, and Kamal Lewis to Sectionals and States. Floeck broke the school record in the 100 yard freestyle. Schofield broke the school record in both the 200 yard Individual Medley and the 100 yard Breaststroke. The Girls Team knew it would be a tough season with only five girls, and their 2-11 record reflected that. Senior Janelle McDonald qualified for States and Sectionals, where she broke the school record for the 100 yard Butterfly for the third time this season. In addition to that record, McDonald also holds 4 other school records. The captains were Cameron Schofield, Brian Green, Justin Floeck, and Janelle McDonald. The team would like to thank 4 year swimmers Janelle McDonald, Justin Floeck and Cameron Schofield.

# Boys Basketball

The Boy's basketball team had a good season this year, winning some big games against tough Patriot League opponents, including Whitman-Hanson and Hanover. The program will miss the senior play of Luke Szulak, Daniel Jackson, Mike Scanlon, Casey Mandeville and Neil Franjul. With a strong upcoming senior class, the boys will look to make a lot of noise in their league and hope to reach the postseason. This year, Luke Szulak received Patriot League All-Star honors and the team will look to junior starters Andrew Card and Alex Allioth next year to lead the squad.

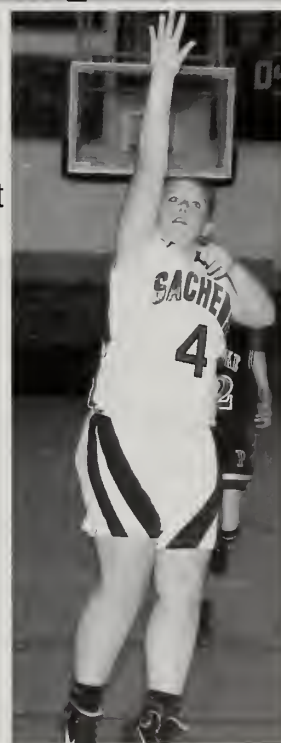

# Girls Basketball

MHS Women's Basketball went through a rebuilding year under a new head coach, Tim Doherty. Senior captains Jenny Frazier and Cassie Leech led their team through many tough games, including close matches against teams such as Whitman-Hanson, Pembroke and Randolph. The program will miss seniors Molly Card and Hannah Bialic as it looks forward to its upcoming underclassmen sophomores Carly Henderson and Erica Pupek and freshmen Micaela Pohl and Hannah Johnson to lead it to victory. The ladies finished with a 0-20 season but were excited to congratulate Jenny Frazier as a Patriot League All-Star. They are excited to begin next year and hope to have some wins under their belt.

# Wrestling

The Sachem Wrestling Team finished 2012 with 3 wins, 6 losses, and 1 tie. The Sachems were led by a quad of Captains: Seniors Ethan Norton, Scott McDaniel, James Murphy, and Junior Kyle Ohrenberger.

Senior Ethan Norton (152 pounds) earned "Outstanding Wrestler" for a tremendous season which included six top six tournament finishes. With a 27-12 record, Ethan grabbed 3rd place at the Division 3 South Tournament, earning a berth at the Division 3 State Tournament.

Junior T.J. O'Toole (170 pounds) captured "Most Improved Wrestler." As a sophomore T.J. compiled a 3-8 record; this season he improved to an astounding 22 wins with 19 losses. T.J. battled his way to four top six tournament finishes and was an alternate at the Division 3 State Tournament.

Freshman Kaleb Santamore was dubbed "Rookie of the Year" for his performance in the heavyweight division. Kaleb completed the season with a record of 6-14, with two top six varsity tournament finishes.

# Winter Track

The Winter Indoor Track team had a great season. The athletes put in a ton of effort at each race. Many fought to break records and take the victory.

The girls, captained by Liz Kinch, Sarah Connor and Jill Perry, had an overall record of 4 wins and 2 losses. Three records were broken this season by members of the girls team. After many races almost making it, Traci Perry broke the 300 record. Maggie Lynch had a strong season as she broke the one mile record. Sophomore distance runner Mary Cole broke the two mile record.

The boys indoor team had a good season. They were led by three senior captains, Jason O'Connell, Tene Paquin, and Connor Stearns. With an overall record of 2 wins and 3 losses, the boys team kept their spirits high at each meet. The long jump record was broken by Wayne Montrond.

# Seniors

As the Senior Class begins the game of Life, they are all faced with a tough decision that could forever change the outcome of their game.

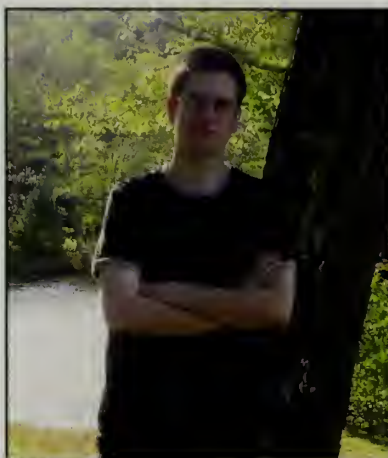

From freshmen jitters to Sachem swag, the Class of 2012 has been a strong presence in the halls of Middleborough High School, but before the Class of 2012 leaves these halls and passes on the torch to the next, we take a look back at how they spent their final year here at MHS and how they made it one to remember. **President**  
**Tara Degendorf**

We as a class have achieved so much over these past four years. It has been such a honor to serve as your class president during our final year here at MHS. Our class has knocked down barriers that no one thought we could. I am so proud of all of you and everything we have accomplished together. Thank you so much for the past twelve years.

This is it. We have completed our four years of High School. We have all had our ups and downs and our highs and lows but we have all made it out on top. This year has been absolutely amazing, and is a time we will remember for the rest of our lives. As one of your class officers I am overjoyed in the fact that I had a part in making this year what it was for all of us. It has been an amazing experience I will never forget. We are all going off in different directions, some of us are going far away, others are staying close to home but we will always be united as the Middleboro High School Seniors of 2012. I hope you all look back on these last four years and all the years before and remember the friendships, the moments, and experiences that shaped us into the young adults we now are. It was a long, but then again, a quickly passing journey and I am proud to say I got to spend mine with all of you. Good luck with everything you do from now on!

**Member at Large**  
**Isabel Correia**

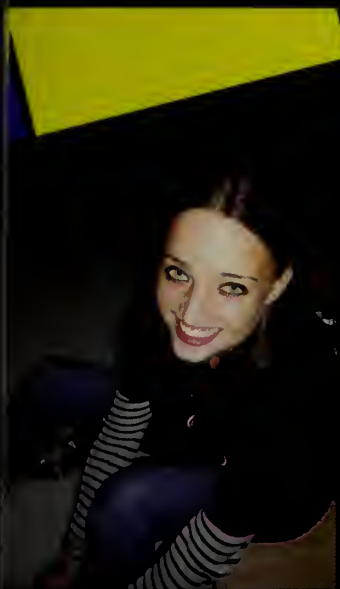

**Treasurer**  
**Brandon Grant**

It has been a pleasure serving as your class treasurer for our senior year. Running for a class officer position was the best. We have achieved so much over the past four years, from being the fresh freshman to having Senioritis. Although it has been stressful, it has also been fun being an officer was one of the highlights of my high school career. I couldn't have asked for a better class to spend twelve years with, you guys are truly like a family to me. I wish you all the best of luck in everything you do. Although we will be apart for years to come we will always have the memory of graduating together as Middleborough High School's Class of 2012.

**2012**

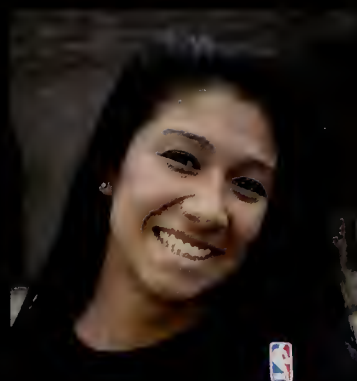

**Vice President  
Kelly Karalaus**

It has been my pleasure to have been your Vice President this year. We have gone through so much together and I will miss every single one of you. I remember walking through the doors on our first day of high school. It was there that we began our journey. Throughout these four incredible years at Middleboro High School we have shared so many memories, starting in our Freshmen year with Rachel's Challenge. Then in our sophomore year, being so happy to not be the Freshmen anymore, we as a school hosted SEMASC Lock-in. Then we played against the Senior class for the Powder Puff football game in our Junior year. And now, in our Senior year, we have accomplished so much. I am so glad that we have been able to share this time together, I hope for nothing but the best for everyone in the future. But just always remember... "It's not the end of the world, it's only the beginning." Class of 2012, congratulations and best of wishes, hopefully we will meet again sometime in the future.

Becoming part of the senior board has been one of my greatest accomplishments. To be honest I couldn't have pictured myself where I am now. I am so proud of every single person in this class, Truly. The past few years have helped me grow and become the person I am now. I am grateful for everyone that I have met throughout my life; although some have left and some have changed, it's still a memory and I treasure every single one of them. Stepping through the doors as a freshman was scary and I thought that this year would never come, but in a blink of an eye it did. Truth is, I'm going to miss this place and the people, everyone that I grew up with and everyone that I knew are going to be gone and that's scary. No one can change the past but for the time being my wish for everyone is to treasure and remember as much as they can because these years go fast and I hope that no one has regrets. Again I am so excited and proud to be a part of the class of 2012. Peace and love <3

## Dear Class of 2012,

I've had such a great experience growing with you as a class. Working with you as your advisor and getting to know each of you individually has been such a rewarding experience for me. My earliest memories of you as a class are of float decorating freshman year when many tears were shed due to our complete inexperience. As a group you have gone from just barely pulling it together as freshman to winning the competition in your senior year. I will always remember the car washes on those hot summer days, running out of food at Breakfast with Santa, making 5 trips to Dunkin Donuts to get more, and our long nights at lock-ins over the years. It has been an honor to watch you grow as a team, build friendships, support each other, and become young leaders over the past four years. Although your time here at MHS is coming to an end, just know that many great things lie ahead. As Thoreau once said, Go confidently in the direction of your dreams. Live the life you have imagined.

Best wishes, Class of 2012,  
Mr. Burke

## To the Class of 2012,

I cannot believe how fast these past four years have flown by! It has been such an exciting journey as your advisor. Your class is determined and is constantly pushing itself to achieve more. I remember your "Fresh Class" float freshman year with the 30+ shirts you hand-made and left to dry in my room. Walking in that Saturday morning, seeing how your first float had come together and seeing how you all were so excited, practicing your rap, I was so proud and excited for our next few years together. That moment was just one of the many that I felt pride and excitement for you all. Being able to witness your growth and achievements has been one of the highlights of my career thus far. Best wishes as you begin the next phase of your journey, Class of 2012. In the words of Eleanor Roosevelt, "The future belongs to those who believe in the beauty of their dreams." Continue to strive toward your goals and believe in yourselves and you will be unstoppable! It's not the end of the world, it's only the beginning! :)

**WAVES OF CHANGE** Former Egyptian President Hosni Mubarak, who had been in power since 1981, was ousted in 2011.

He was later put on trial for allegedly ordering the killing of protesters. **EGYPTIAN PROTESTERS** Waving their national flag and shouting slogans, thousands crowded Cairo's Tahrir Square to demand political change as anger grows with the military rulers over the slow pace of reform. **TOGETHER IN**

**PROTEST** The flags of Syria, Tunisia, Yemen, Egypt and Libya were painted on participants' palms during a demonstration in Yemen.

## ARAB SPRING

**PROTESTS ACROSS THE MIDDLE EAST** brought changes to Arab nations large and small. Uprisings began in Tunisia, where, as 2010 ended, a young vendor protesting the confiscation of his wares set himself on fire. Discontent spread to Egypt and Yemen as 2011 began, and in the months that followed those governments and leaders from Bahrain, Libya and Syria were under siege. By year's end, the presidents of Tunisia, Egypt and Yemen had stepped down and Libya's Moammar Gadhafi and his son Mutassim had been assassinated. Tunisians went to the polls in October 2011 and the Egyptian election took place just a month later. The protests continued despite high costs: thousands of lives (5,000 in Syria alone) and billions of dollars were lost.

Despite interest rates as low as 4%, home ownership continued to decline. **OCCUPY WALL STREET** After gaining the world's attention with an online presence in addition to gathering in NYC's financial district, protesters disturbed by growing income inequality and wealth distribution in the United States between the wealthiest 1% and the rest of the population replicated occupations from coast to coast. **POTENTIAL GOVERNMENT SHUTDOWN** The Budget Control Act of 2011 was passed on August 2, bringing a conclusion to the debt-ceiling crisis, which had threatened to lead the United States into sovereign default. **STONE OF HOPE** The August, 2011 dedication of the Martin Luther King Jr. Memorial in Washington, DC honors Dr. King's contributions and vision for all to enjoy a life of freedom, opportunity and justice. **UNEMPLOYMENT** While January 2012 data showed a national unemployment rate of just 8.3% — the lowest in more than three years, economists warned that the encouraging report might be the result of factors like discouraged job seekers giving up the hunt for work as much as economic growth.

**OSLO ATTACKS** People laid flowers in memory of the victims of a pair of attacks in Norway that claimed 76 lives on July 22. A shooting spree at a youth summer camp occurred just two hours after a car bomb explosion near the Prime Minister's office. **EUROPEAN DEBT CRISIS** Financial woes abroad continued as investors feared government debt levels precluded some countries' abilities to prevent economic collapse. ## IN THE SCIENCE LAB...

## CATASTROPHIC DESTRUCTION

**THE MOST POWERFUL EARTHQUAKE** ever to hit Japan was an undersea megathrust in March 2011. The 9.0 temblor, which lasted nearly five minutes, caused tsunamis that flooded cities more than five miles inland and sent tidal waves crashing to the United States. In addition to local damage done by the earthquake and accompanying tsunami, the event crippled three Fukushima nuclear reactors, releasing dangerous levels of radiation.

The series became the highest grossing franchise in domestic box office history, accumulating \$2.4 billion in America and \$7.7 billion worldwide. Though we have to say good-bye to Harry and friends as the Potter films come to a close, Muggles can continue to enjoy the world of Harry Potter through the additions of the Wizarding World Theme Park at Universal Studios in Orlando, Florida and JK Rowling's new online experience, Pottermore.

**ADELE** Billboard's Artist of the Year released her second album, *21*, which immediately topped the charts and remained there for 13 weeks to become the year's best-selling album. ## LOCKOUT DRAMA

### COLLECTIVE BARGAINING PITTED PLAYERS

**AGAINST OWNERS** in both the NBA and NFL. Sports fans feared the worst but both leagues were able to agree in time to save most of their regular seasons. In the NBA, the focus was primarily on cutting player salaries to help struggling teams. Both sides remained far apart on just about every major issue. They settled in late November, agreeing to a 66-game schedule, with the first games set for Christmas Day, cutting two weeks off the regular season. The NFL lockout lasted from March 11 to July 25. Once an agreement was reached, the players won additional benefits; the continuation of a 16-game regular season schedule, improvements in player safety and increased injury protection. Almost as soon as an agreement was reached, trades, deals, cuts and contracts were made.

NFL Commissioner Roger Goodell, Executive Director of the National Football League Players Association DeMaurice Smith, Philadelphia Eagles' Riley Cooper, Dallas Mavericks' Jason Terry.

## BREAKING WORLD NEWS TWITTER STYLE

**IT STARTED SO INNOCENTLY.** IT consultant Sohaib Athar (@ReallyVirtual) had moved to remote Abbottabad, Pakistan to escape the rat race. On May 1, 2011, he tweeted about a late-night military operation involving helicopters hovering over the city. While Navy Seals were involved in a firefight on Osama bin Laden's compound, Athar was lightheartedly complaining that the copters were keeping him awake. Unknowingly, he was the first to report the mission using Twitter. The attack on the 38,000-square-foot compound was followed by bin Laden's burial at sea.

Uh oh, now I'm the guy who liveblogged the Osama raid without knowing it.
